Park Overview

Coast Gravity Park is a year round mountain bike park located on the Sunshine Coast. The Sunshine Coast's first gravity fed mountain bike facility. The park is 8 kilometres from Sechelt, in Porpoise Bay, approximately 2 hours away from Vancouver. It is a privately owned, 160 acre park with access to over 4,448 meters of trails, and provides a variety of 12 downhill trails that offer a challenge for everybody.

Riders of all levels will experience trails built and designed by the world-renowned builders and riders, the Coastal Crew. Coast Gravity Park has a user-friendly shuttle system to access trails carved through pristine low elevation ocean front forest. We are accepting day pass reservations so book your spots and come have your best days.

Getting to the Park

There are two transportation options for getting to the park by ground or by air. BC Ferries acts as the connector for HWY 101 between the upper and lower portions of the Sunshine Coast, or book a flight with Harbour Air to Coast Gravity Park.
